

Will the Current SRP Format Continue to Serve Us Well?

- Comprehensive Research Strengths
- Opportunities for the Development of Research
- Commitments to the Support of Research
 - (research intensification)
- Integration of Research in Education
- Supporting the Transition of the Results of our Research into Action
- Other areas?

Should the Areas of Comprehensive Research Strength be Adjusted, and How?

- Advancing Fundamental Discovery
- Analyzing Cultures & Mobilizing Creativity
- Building Healthy Lives & Communities
- Exploring the Frontiers of Science & Technology
- Forging a Just & Sustainable World
- Integrating Entrepreneurial Innovation & the Public Good

How to Articulate Opportunities for the Next 5 Years

- 2013-2018 Opportunities:
 - Digital Cultures
 - Engineering Research That Matters
 - Health Individuals, Healthy Communities & Global Health
 - Public Engagement for a Just and Sustainable World
